Re: Certification of Violation Correction for Rollins OPC, Los Angeles, CA

Dear Mr. Mitzel:

On June 6, 1995, a hazardous waste investigation was conducted by representatives of the United States Environmental Protection Agency (U.S. EPA) at Rollins OPC, Los Angeles, CA, U.S. EPA Identification Number CAD050806850. During the course of this investigation, information was gathered in accordance with Section 3007 of the Resource Conservation and Recovery Act (RCRA), as amended [42 U.S.C. 6927].

Pursuant to Section 3008 of RCRA [42 U.S.C. 6928] U.S. EPA required you to correct the identified areas of noncompliance and to submit documentation of their correction to the U.S. EPA within 30 days of your receipt of the Warning letter and inspection report sent on August 16, 1995.

The facility's subsequent responses, dated August 31 and September 6, 1995, adequately address the violations and document the facility's return to compliance with the regulations cited in the inspection report. This letter shall not be construed as a determination by U.S. EPA of your compliance with any other applicable regulations.

Rollins OPC should continue to take the necessary steps to maintain and ensure compliance with all applicable Federal, State and local environmental requirements.

If you have any questions please call Duong Nguyen of my staff at (415) 744- 2130.

Sincerely,

A handwritten signature in black ink, appearing to read "Arlene Kabei", followed by a horizontal line.
